

Courage

Courage is strength, that some do not show.

Courage is power, that some do not know.

Courage is the man who stood up to the pain,

He walked with others in snow or rain.

Yes, courage is Martin Luther King, Jr.

Courage is the woman who stood up to fights.

She stood up in court, and got women rights!

Yes, courage is Ruth Bader Ginsberg.

They showed strength and power

In every day and ever hour,

Courage is a fight that shall never end

With courage there are hearts you can mend.

Courage shows power!

Now listen to the words of people who,

Had courage even if they didnt' want to.

Yes, courage is standing up to bad and embracing good,

Show courage that we all know we should

Courage is strength!
