

Book Drop opens Monday, June 1

While the library remains closed, we will begin accepting returns in our book drop beginning Monday, June 1. If your last name begins with A - M, please drop off your items beginning Monday, June 1.

If your last name begins with N - Z, please drop off beginning Monday, June 8. If the item you borrowed cannot be put in the return box, please call the library at 978-658-2967.

Following recommended guidelines from the Massachusetts Board of Library Commissioners, library returns will be quarantined for three days before being checked in and returned to the shelves. It will take longer for an item to show as returned in your account as items are not checked in until after the quarantine period. Fines will not accrue while the library is closed.

If you have questions about returns, please email Circulation Librarian Linda Pavluk at lpavluk@wilmlibrary.org.
