## **Getting Started**

The Merrimack Valley Library Consortium (MVLC) has partnered with OverDrive® to provide eBooks and audiobooks to our library users. To access these digital materials you will need:

- A valid library card from an MVLC library
- Internet access

### **How long is the lending period?**

You can choose a loan period of 7, 14, or 21 days.

### **How many items can I check out?**

You can have up to 5 books checked out at one time, and you can place holds on books that are already out.

### **No late fees**

At the end of the loan period, titles will expire and be automatically returned to OverDrive®. You may return e-books early (but not audiobooks).

### **Can I renew the items I have checked out?**

No, but you can check them out again if they are available after the lending period ends.

### **What happens when I place a title on hold?**

A title you place on hold will be reserved for you to check out once it becomes available. When the title is available for you, we will email you instructions on checking the item out. The item will be held for you for 3 days after we notify you that the title is available.

### **How many items can I place on hold at the same time?**

You can have up to 10 titles on hold at a time.

### **Where can I get more Info?**

The guided tour on the OverDrive® website is a great place to start. The tour and more detailed instructions are available at <http://mvlc.lib.overdrive.com>. Call, email, or stop by your library for more information!

## The Borrowing Process

If you already have the App skip to **page 6**.

### Getting the App

1. Tap the Play Store icon

2. Start typing **Overdrive** in the Search box and tap **the result**

3. Tap **Install**
