## Teen Art Gallery Exhibit Policy

The Wilmington Memorial Library provides a space in the Teen Zone for tween and teen artists in grades 6-12 to exhibit their artwork. The guidelines for exhibiting artwork are as follows:

- Teens interested in exhibiting their artwork should contact the Teen Services Librarian and complete and sign the Art Exhibit Application.
- The artwork must be suitable for public display in a public library. Determination of suitability rests with the Teen Services Librarian, Library Director and Board of Library Trustees.
- The exhibit space allows for approximately 5-8 paintings or photographs.
- Paintings, prints, drawings or photographs must be suitably framed or wired to be hung on the library's art hanging track system.
- Display set up and removal dates need to be coordinated with the Teen Services Librarian. The typical display time is one month. Artwork not picked up by the agreed upon date will be removed by library staff.
- Artist's name will be posted with the artwork. Additional information about the artist or the artwork may be included with the exhibit.
- The Wilmington Memorial Library is not responsible for loss of or damage to any of the artist's work.
