Getting Started

What does it mean for me?

With your library card from an MVLC library, you have access to OverDrive eBooks and eAudiobooks from many other Massachusetts libraries. While you should always start your search in the MVLC OverDrive collection, if the title you are looking for is currently checked out or not in the MVLC collection, you may now search, borrow from, and place holds on titles at other participating networks as well.

How many titles can I borrow? How long can I keep them?

Account settings such as loan periods, how many titles you can borrow at one time, and limits on the number of holds you can place at one time vary according to the rules of the library network from which you are borrowing.

Checkout and hold limits apply only to the particular library network being used. For example, titles borrowed from another RLA network do not count against the 5-checkout limit imposed by MVLC, and titles borrowed within MVLC do not count against other networks' checkout limits.

Can I place a hold on a checked-out title in another network?

Yes. MVLC patrons may place holds on titles in other networks, but the system will always give preference to patrons with cards for that network. In other words, MVLC patrons using other partner library networks will never receive a title from that network ahead of the network's own library patrons. Similarly, patrons with a card from an MVLC library will always receive an MVLC title before any patron visiting from another network.

What happens when I place a title on hold?

A title you place on hold will be reserved for you to check out once it becomes available. When the title is available for you, we will email you instructions on checking the item out. The item will be held for you for 3 days after we notify you that the title is available.

Can I renew the items I have checked out?

Yes, provided there are no holds on the items.

Are there any Fines?

No! At the end of the loan period, titles will expire and be automatically returned to OverDrive[®]. You may return items early.

Where can I get more Info?

The guided tour on the OverDrive[®] website is a great place to start. The tour and more detailed instructions are available at http://mvlc.lib.overdrive.com. Call, email, or stop by your library for more information!
